Indian Economy: A Review Report

The General Economic Survey 2023-24, traditionally presented before the Union Budget in India, was not tabled in Parliament. The reason for not presenting the Economic Survey this year is the election context.

However, the Finance Ministry has released an alternative report titled 'Indian Economy: A Review' prepared by the office of Chief Economic Advisor V Ananth Nageswaran.

This report does not take the place of the official Economic Survey, but provides valuable insights about the pace and prospects of the Indian economy over the past decade and its future outlook.

It is important to note that the official economic survey is expected to be presented after the general elections and formation of the new government.

Indian Economy: Key Points of a Review

1. India's economy is projected to reach \$5 trillion in the next 3 years and \$7 trillion by 2030.
2. According to the Central Government, 800 million people in the country need free ration.
3. The Review focuses on the structural reforms undertaken in the last decade and their positive impact.
4. It provides a cautious outlook on future growth and inflation while acknowledging global uncertainties and challenges.
5. India is expected to overtake the global economy in FY 2024. This will exceed the GDP growth rate of 7.2%.
6. The Indian economy is set to achieve a growth rate of more than 7% for the third consecutive year.
7. The past decade has seen increased public sector investment, a strong financial sector and substantial non-food credit growth.
8. India is now the third largest fintech economy globally, after the United States and Britain.
9. India has become the fourth largest stock market in the world by overtaking Hong Kong.
10. The percentage of women having bank accounts has increased significantly under PM Jan Dhan Yojana.
11. Female labor force participation rate has increased and initiatives like Skill India Mission, Start Up India and Stand-up India are contributing to this increase.
12. The Gross Enrollment Ratio (GER) for women in higher education has seen a significant increase.
13. The report highlights the dynamism in the MSME sector due to government support.
14. Implementation of GST and integration of domestic markets has improved economic efficiency and reduced logistics costs.

- Mission Vatsalya: Rs 1,472 crore.
- Vibrant Village Programme: Rs 1,050 crore.
- Environment, Forestry and Wildlife: Rs 714 crore.
- National River Conservation Scheme: Rs 592 crore.
